

PARENT CONTRACT

I, _____, parent of _____, recognize the terms of the Player Contract and will help reinforce the values of the 100 Mile Baseball Association, focusing on attitude, respect, and enjoyment of the game. To support my child and their team, I agree to the following:

1. Time and Commitment: I acknowledge that my child's participation in baseball requires commitment, including time, travel, and adjustments to our schedule, which brings both sacrifices and rewards.
2. Respect for Coaching: I will refrain from coaching my child or any other child during games or practices and will always respect the authority of the coaching staff.
3. Boundaries: I will not enter the dugout or step onto the field during games or practices unless specifically asked by a coach. I will maintain a safe distance from the field during these times to ensure safety for all.
4. Umpire and Opponent Interaction: I will not directly engage with umpires, players from opposing teams, or opposing coaches. Any concerns I have will be addressed privately with our coaching staff outside of game or practice times.
5. Communication and Timeliness: I will ensure my child is punctual for all team functions (practices, games, etc.) unless prior notice is provided for any delays.
6. I will download Team Snap app and turn on notifications. This is the main Platform the association will be using for communication and scheduling.

By signing this contract, I commit to the guidelines outlined above to positively contribute to my child's development and enjoyment in baseball.
