PO Box 1947 100 Mile House, BC

We are excited to announce the formation of the 100 Mile Baseball Association, a new initiative dedicated to bringing youth baseball opportunities to the children of 100 Mile House. As a community-focused organization, our goal is to provide our kids with the chance to learn, grow, and thrive through baseball.

To make this vision a reality, we need your support. We are working to raise thirty thousand dollars to fund essentials such as field equipment, team equipment, improved field facilities, and additional resources that will help our players and league grow. Your sponsorship will directly impact the kids, giving them access to safe, reliable gear and a well-maintained space to play, practice, and develop their skills.

We offer three sponsorship levels, each with unique benefits as a thank-you for your generosity:

Bronze Sponsor – \$500 **Silver Sponsor – \$1,000** **Gold Sponsor – \$2,000**

All contributing sponsors will get their logo on our web site and social media platforms. At the field there will be a sign with sponsor logos, showcasing your role in supporting youth sports in our community. Gold members will be placed near top of sign with bigger logo spacing. Please consider helping us reach our goal.

We truly believe that investing in our youth is an investment in the future of 100 Mile House. Your support would mean the world to us, helping us provide a positive, structured environment for our kids to learn teamwork, resilience, and the love of the game.

Thank you for considering our request. Together, we can build something special for the children of our town.

Warm regards,
